

Environmentally Friendly

We believe in being environmentally responsible. We do not use chemicals that contain caustic or chlorinated solvents, and contain no phosphates. We use non-toxic, biodegradable, eco friendly products that are not classified as dangerous to the environment. When possible we use rain water and recycle our resources as much as possible.

Call for availability

Our commitment to you

We are a family owned and operated fiber mill. We take pride in our work and treat your fiber as if it were our own.

We are honored to provide personal service to you, working with you on an individual basis to make a product you can use and be proud of.

Services we offer

All process based per pound (incoming weight)

Washing Only ***\$5.00/lb.***

Washing extra greasy fleece ***\$2.00/lb.***

Wash and Carding wool ***\$7.50/lb.***

Wash and Carding all other fibers ***\$8.50/lb.***

When you get your fleece carded it may be carded into roving, batting or cloud

See our website for a list of services we offer.

Please see our website for pricing. Pricing is subject to change without notification.

Why Choose Us?

We cater to small and large orders

You will get YOUR own fibers back

We have a low minimum charge of one pound per batch

Turn around time varies on the time of year, but generally 4-6 weeks.

We carry fibers to add to your fibers

You may send your fibers via any carrier you like
